Good Morning Heartache

Ella Fitzgerald

Good morning heartache, sit downGood morning heartache, you old gloomy sight
Thought we said goodbye last night
I turned and tossed until it seemed you had gone
But here you are with the dawnWish Id forget you, but you're here to stay
It seems I met you, when my love went away
Now everyday I start by saying to you
'Good morning heartache, what's new?'Stop haunting me now
Can't shake you no how
Just leave me alone
I've got those Monday blues
Straight through Sunday blues
Good morning heartache, here we go againGood morning heartache
You're the one who knew me when
Might as well get used to you hangin around
Good morning heartache, sit downStop haunting me now
Can't shake you no how
Just leave me alone
I've got those Monday blues
Straight through Sunday blues
Good morning heartache, here we go againGood morning heartache
You're the one who knew me when
Might as well get used to you hangin around
Good morning heartache, sit down, sit down
