

Good Morning Heartache

[Ella Fitzgerald](#)

Good morning heartache, sit down
Good morning heartache, you old gloomy sight
Thought we said goodbye last night
I turned and tossed until it seemed you had gone
But here you are with the dawn
Wish I'd forget you, but you're here to stay
It seems I met you, when my love went away
Now everyday I start by saying to you
'Good morning heartache, what's new?'
Stop haunting me now
Can't shake you no how
Just leave me alone
I've got those Monday blues
Straight through Sunday blues
Good morning heartache, here we go again
Good morning heartache
You're the one who knew me when
Might as well get used to you hangin around
Good morning heartache, sit down
Stop haunting me now
Can't shake you no how
Just leave me alone
I've got those Monday blues
Straight through Sunday blues
Good morning heartache, here we go again
Good morning heartache
You're the one who knew me when
Might as well get used to you hangin around
Good morning heartache, sit down, sit down
