Wise Guy

The Fun-Atics

Wise guy let's me
I fool around
But i couldn't see
A girl who loved me, so oh
Tenderly
A pretty girl named Marie
Wise guy let's me
My friends would tell me
Just wait and see, the way your acting
So foolishly
You'll lose a girl named Marie
She told me she loved me when we were alone
I laughed when she planned on our future home
When we went to parties, I wouldn't dance
I didn't even give her a chance
Woo no
Wise guy, i'm smart
I took a chance
And i broke my own heart
No it's my turn
To sit and cryyy
Cause there's another
"do do do"
Guyyyyyyy
