

# Wise Guy

## The Fun-Atics

Wise guy let's me  
I fool around  
But i couldn't see  
A girl who loved me, so oh  
Tenderly  
A pretty girl named Marie  
Wise guy let's me  
My friends would tell me  
Just wait and see, the way your acting  
So foolishly  
You'll lose a girl named Marie  
She told me she loved me when we were alone  
I laughed when she planned on our future home  
When we went to parties, I wouldn't dance  
I didn't even give her a chance  
Woo no  
Wise guy, i'm smart  
I took a chance  
And i broke my own heart  
No it's my turn  
To sit and cryyy  
Cause there's another  
"do do do"  
Guyyyyyy
