

# Just a Little Love

**B.B. King**

Some people die for hate  
Some die for love  
Some die because  
They don't have a mate But all I want  
All I want is a little love  
All I've ever wanted, people  
All I want is just a little love All I want a little bit of love  
All I want is a little bit of love  
All I want is just a little bit of love Everybody say the world is large  
But to me it's very small  
Out of all of these women  
I can't find no true love at all  
All I want is just a little love  
All I've ever wanted, mmm  
Is just a little love All I want is a little bit of love  
All I want is a little bit of love  
I say, all I want is just a little bit of love All I want is a little bit of love  
All I need is a little bit of love  
All I want is just a little bit of love
