Catholic school girls rule  
Catholic school girls rule  
Catholic school girls rule  
Catholic school girls rule In the class she's taking notes  
Just how deep, deep is my throat  
Mother Mary don't you know  
She's got eyes like Marylin Monroe Catholic school girls rule  
Catholic school girls rule  
Catholic school girls rule  
Catholic school girls rule Catholic school girls rule  
Catholic school girls rule  
Catholic school girls rule  
Catholic school girls rule From the cross she's raised her head  
This is what the sister said  
Give no love until you're wed  
Live no life until you're dead The good books says we must suppress  
The good books says we must confess  
But who cares what the good books says  
Now she's taking off her dress Catholic school girls rule  
Catholic school girls rule  
Catholic school girls rule  
Catholic school girls rule Catholic school girls rule  
Catholic school girls rule  
Catholic school girls rule  
Catholic school girls rule Lead us do not into temptation  
We are pure divine creation  
Talking about my generation  
Injected with the seed of emasculation Catholic
