

Straight Dimensions

DMA's

You, you know you heard the sound
Would you feel the same?
We, we turn the wrong way round
Drifting through memories of a dream
Now I know the way back down
Sinking like we never did before
Night I'll bring the world back round
Knocking too familiar on your door
And I don't have a single feeling
That wants to hang with me
And I don't have a single feeling
That wants to hang for free
Yeah, you know you come
The one, you feel it in my arms again
Yeah, you know the one, you come
You feel it in my arms again
You, you know we may have found
Memories in our years
Feel, you know it's making ground
Ringing in the comfort of our tears
And I don't have a single feeling
That wants to hang with me
And I don't have a single feeling
That wants to hang for free
Yeah you know you come
The one, you feel it in my arms again
Yeah, you know the one, you come
You feel it in my arms again
Yeah, you know the one, you come
You feel it in my arms again
Yeah, you know the one, you come
You feel it in my arms again
And I don't have a single feeling
That wants to hang with me
And I don't have a single feeling
That wants to hang for free
Yeah, you know you come
The one, you feel it in my arms again
Yeah, you know you come
The one, you feel it in my arms again
Yeah, you know you come
The one, you feel it in my arms again

Yeah, you know you come
The one, you feel it in my arms again
My arms again, my arms again
My arms again, my arms again
