Dad

NoMeansNo

I went home, I was feeling so alone.
I know I've been late, It was my mistake.
I went in my room, and I sat there in the gloom.
I know I've been bad, I know he'll be mad.And I hear him coming, down the hall.
And there's nowhere to go, nowhere at all.
I've been had. It was my mistake.
He opens the door, and his eyes are full of hate.DAD NO! DAD, LEAVE ME ALONE! DAD LET ME GO, PLEASE?! PLEASE!
DAD NO! DAD, LEAVE ME ALONE! OH MY GOD! NO!! NO!!!!My mom comes rushing in, she cries "Oh, Please don't hurt him."
Dad gives her a kick, and he slaps her around a bit.
He says; "SHUT UP, YA BITCH! SHUT UP YA BITCH!
OR I'LL KILL YOU! I'LL KILL YOU! SHUT UP, OR I'LL KILL YOU!Dad keeps hitting her face, and there's blood all over the place.
I said "Please Dad, please, it was my mistake."
I'm the one that's bad! I'm the one that's bad!
No, don't hit her Dad. Don't hit her, Dad!DAD NO! DAD, LEAVE MOM ALONE! DAD LET HER GO, PLEASE?! PLEASE!
DAD NO! DAD, LEAVE MOM ALONE! OH MY GOD! NO!! NO!!!!He went into my sister's room, and he locked the door.
He said "I hate you, but I love you more.
I heard her crying, as the lights went out.
I heard her scream, I had to shout.DAD NO! DAD, LEAVE HER ALONE! DAD LET HER GO, PLEASE?! PLEASE!
DAD NO! DAD, LEAVE HER ALONE! OH MY GOD! NO!! NO!!!!I'm seriously considering leaving home.
