Break the Line

Guano Apes

You can get it, come and climb under my skin
Overtake it, pushing me on a fast lane
Come let's get away, no one knows you like I do
We will pass it, if you let the tires kiss the groundYou should go ahead, so fast
You should go ahead, so fast
You should go ahead, so fastBreak the line, we have to go
'Cause there's no way back
Where we are coming fromBreak the line, we have to go
'Cause there's no way back
Where we are coming fromI'm your engine, got you strapped into my seat
Here is our tactic, we get faster the more I scream
Come let's get away no one drives you like do
I'm collapsing when the tires kiss the groundYou should go ahead, so fast
You should go ahead, so fast
You should go ahead, so fastBreak the line, we have to go
'Cause there's no way back
Where we are coming fromBreak the line, we have to go
'Cause there's no way back
Where we are coming fromBreak the lineAnd all I try is to break the thin line
Nothing's gonna stop the way of life
Be sure that that it's safe, I'll show you a place
Where we can be and everyone is dreaming ofYou should go ahead, so fast
You should go ahead, so fastBreak the line, we have to go
'Cause there's no way back
Where we are coming fromBreak the line, we have to go
'Cause there's no way back
Where we are coming fromBreak the line, we have to go
'Cause there's no way back
Where we are coming fromBreak the line, we have to go
'Cause there's no way back
Where we are coming fromBreak the line
