

Cryin' Shame

Kenny Wayne Shepherd

Say, say what you gotta say
Blame, blame who you gonna blame
It ain't your fault, it's never your fault
Looks like you got framed ?

You got a cryin' shame

Run, run where you wanna run
Don't, don't say it was done, it's done
I won't be waitin', nobody's waitin'
I've known your evil ways

You got a cryin' shame
You got a cryin' shame
Oh, woo

Beg, beg if you wanna beg
Bad, baby, you made that bad
And I was solid for you, so solid for you
That doesn't change a thing

You got a cryin' shame
And you got a cryin' shame
You got a cryin' shame
You got a cryin' shame

You gonna cry, yeah
People will cry, you're next
