

Diva

Nightfall

Somebody's running after you

There are times I do the same

But I cannot stand the way you live

I can't simply follow sweet My mind is drowned in a sea of thoughts, my heart is bleeding

My mind is black I need no more, please sister release me And I always love what others hate, but I never give
up faith

Out in their world I feel insane, at her eyes I'm dying to stare

And I always love what others hate, but I never give up faith

Give me a hug please do it now, sister never, never, never, never let me down How much I adored your inviting
eyes

How much I hated to see you cry

Your love I wanted once not now

Feeling strange enough you cannot understand
