

# Hatred Aside

## Sepultura

Explode in disorder, no matter the prize  
Steps on the path the righteous do find  
Try as they will but they cannot divide Time is relentless, pushing us on  
Restoring our fate, we never lost sight  
Spirits evolving, flowing as one  
Having no limits, all hatred aside  
Try as they will but they cannot divide To divide, to divide, to divide  
Live for the sound loud to survive  
My will has no bounds to keep this alive  
Truth pave the way to the world that I know  
Love for our brothers we'll not fail to show  
Learn what we hear, see what we feel  
The air that I breathe could not be more real  
Spit out bitter pill that made me want to hide  
Try as they will but they cannot divide Cannot divide, cannot divide, cannot divide  
No! Time is your enemy only if you let it be  
I won't let my future get away from me  
Listen, let go, out of my mind  
Out of my mind, listen, let go Need to reach, seek to find  
Will not breach, cannot divide
