

# Like You Used To Do (Mixed Pages)

Neil Young

Someday you'll want me  
Someday we'll get back there  
Someday you'll see me  
Like you used to do I've got my problems  
But they mostly show up with you  
Someday you'll see me  
Like you used to do I couldn't satisfy you  
Just couldn't show you my love  
But I kept on trying  
And I tried and I tried  
And as the time went by  
You just didn't want it no more [Instrumental Bridge]
