Far Away

Joe Jackson

It's me, and me alone
Against the night
So easy to be scared
Without the light
Things under my bed try to shake me
I listen to the trains
Trains to take meFar away, far away
Far away from England
My dreams and meIt's me and me alone
Against the world
So far from all the cares
Of boys and girls
Monsters in the dark
Still whisper to me
I listen to the planes
Planes that flew me
Far away, far away
Far away from England
My dreams and me
