Can't Keep

Pearl Jam

I wanna shake
I wanna wind out
I wanna leave
This mind and shoutI've lived
All this life
Like an ocean
In disguise
I don't live for
Ever
You can't keep
Me hereI wanna race
With the sundown
I want a last breathForgive
Every being
The bad feelings
It's just me
I won't wait
For answers
You can't keep
Me hereI wanna rise
And say goodnight
Wanna take
A look on the other sideI've lived
All those lives
It's been wonder
Full at night
I will live for
Ever
You can't keep
Me here
