I'm a Fool

Frank McCaffrey

1. Iâ€™ve spent many sleepless nightsâ€¦. praying time will make things right

Hopinâ€™ that someday youâ€™ll change

But as time goes by, I learned how to cry

I learned how to take everything

Chorus

Foolâ€¦.Iâ€™m a fool

Why must I love you this way

Foolâ€¦.Iâ€™m a fool

They say thereâ€™s one born everyday

2. When you said to me, I love you - do you love me

My prayers had been answered it seemed

When your friends came around, you go out on the town

Tore down my castle of dreams

Chorus

Foolâ€¦.Iâ€™m a fool

Why must I love you this way

Foolâ€¦.Iâ€™m a fool

They say thereâ€™s one born everyday

They say there one born every day
