Peculiar

Chef'Special

The burn before the fire
The ring before the call
The drowned and the saved
I've seen them all
Peculiar days Peculiar Earth
Peculiar us Peculiar world
The hurt before the wound
The scream before the fall
The damned and the praised
I've known them all
Peculiar days Peculiar Earth
Peculiar us Peculiar world
The guilt before the crime
The thought before the mind
The sober and the stoned
All the things I've known
Peculiar days Peculiar Earth
Peculiar us Peculiar world
