Clap Your Hands

Sia

Well, I've been neglecting
The good things, oh, oh, woah
Well I've been desiring
The good things, ohI'm biting the lighting
The good things, oh, oh, woah
I've minding what to see
The good things, oh, oh, woahShake me out of my misery
Oh, oh, woah, oh, oh
Make me get out
And wiggle it, oh, ohClap your hands, clap your hands
Turn the lights on my nights
This is life
And we only get one thingClap your hands, clap your hands
Come on dance
Take a chance on romance
We only get one shot at this, ohClap your hands, clap your hands
Turn the lights on my nights
This is life
And we only get one thing, ohClap your hands, clap your hands
Come on dance
Take a chance on romance
We only get one shot at this, oh
Clap your handsI'm trying to fly in the good things
Oh, oh, woah
I'm finding this might be a good thing
Oh, oh, woahShake me out of my misery
Oh, oh, oh
Oh, make me get out
And wiggle it, oh, ohClap your hands, clap your hands
Turn the lights on my nights
This is life
And we only get one thing, ohClap your hands, clap your hands
Come on dance
Take a chance on romance
We only get one shot at this, ohClap your hands, clap your hands
Turn the lights on my nights
This is life
And we only get one thing, ohClap your hands, clap your hands
Come on dance

Take a chance on romance
We only get one shot at this, ohClap your hands, clap your hands
Clap your hands, clap your handsClap your hands, clap your hands
Turn the lights on my nights
This is life
And we only get one thing, ohClap your hands, clap your hands
Come on dance
Take a chance on romance
We only get one shot at this, ohClap your hands, clap your hands
Turn the lights on my nights
This is life
And we only get one chance, ohClap your hands, clap your hands
Come on dance
Take a chance on romance
We only get one shot at this, ohClap your hands
