Not Feeling, Not Nothing.
Good Intentions But Jealousy Takes Over All.
Excuses, Abuses.
This Time I. Know Its Not Over so Why
Take All My Pride And I Shove It Back Down Inside.
This Time harassment's gone to far.GET AWAY FROM ME! STAY THE FUCK AWAY FROM ME! (4x)He
Wanted More. Wanted a Silenced Whore.
You Were My Life. Kill Me Now And Burn My Soul.GET AWAY FROM ME! STAY THE FUCK AWAY
FROM ME! (4x)What Is It Me? You Can't Go Out At Night.
Answer Me. Tell Me About Your Others, I've Started To Like That
Answer Me. What About All Those Times
You Looked Me In The Eyes And Said You Lied.
You Know Its Over, Its Over.
What do you see in Me? I Can't Go Out At Night.
Answer Me. Tell Me About Your
Others,would You Like That. Answer Me. What About All Those Times
You Looked Me In The Eyes And Said You Lied.
You Know Its Over, Its Over. What do you see in me? I Can't
Go Out At Night. Answer Me.
Tell Me About Your Other Stories Like that. Answer Me.
What About All Those Times You Looked Me
In The Eyes And Said You Lied.
You Know Its Over, Its Over. I'm through...GET AWAY FROM ME! STAY THE FUCK AWAY FROM ME!
(4x)You, Sold Your Soul To Me!
