

Better Days

Goo Goo Dolls

And you asked me what I want this year
And I'll try to make this kind and clear
Just a chance that maybe we'll find better days'Cause I don't need boxes wrapped in strings
In designer love and empty things
Just a chance that maybe we'll find better daysSo take these words and sing out loud
Cause everyone is forgiven now
Cause tonight's the night the world begins againI need someplace simple where we could live
And something only you can give
And that's faith and trust and peace while we're aliveAnd the one poor child who saved this world
And there's 10 million more who probably could
If we all just stopped and said a prayer for themSo take these words and sing out loud
Cause everyone is forgiven now
Cause tonight's the night the world begins againI wish everyone was loved tonight
And somehow stop this endless fight
Just a chance that maybe we'll find better daysSo take these words and sing out loud
Cause everyone is forgiven now
Cause tonight's the night the world begins again
Cause tonight's the night the world begins again
