

# Function

## Denali

watch it only I don't know  
how to get a thing like you  
I'm sold on your line  
all nice and straight now  
I'll tug on this end too long  
something shut down on the way here  
I don't know what it is  
or what it has to do with me  
talk to me but I will promise  
something strange is coming down on me  
and now it's already over  
all this wasted time at being so good for you  
and now it's already over
