

# Move to the Music

## Slaughter

Well alright  
Yeah, yeah I'm in the mood, it's time to go out tonight  
You're feeling good  
Pulsating, going faster than the speed of light, yeah, yeah  
I feel it touch me, oh don't ya know  
That it's never loud enough for me You've got to move to the music  
You've got to live on rock and roll, yeah, yeah  
You've got to move to the music  
Don't ya know it's good for your soul Out on the town, saw this girl she looked so fine  
I'll tell ya now, oh I love it  
When I feel her body movin' close to mine, yeah, yeah  
I feel it touch me, oh don't ya know  
That it's never loud enough for me You've got to move to the music  
You've got to live on rock and roll yeah, yeah  
You've got to move to the music  
Don't ya know it's good for your soul Yeah, yeah  
You've got to move to the music  
Come on move, move, move  
Can you feel it You've got to move to the music  
You've got to live on rock and roll yeah, yeah  
You've got to move to the music  
Don't ya know it's good for your soul Move, move, move  
[Incomprehensible] You've got to move to the music  
You've got to move to the music
