Bound

Soma Sonic

Let me feel you breathing close
I am submission just a ghost

Time exists to fool me
And our lives are just a game
With no less intensity
I will turn around

Let me feel you breathing close
Let me feel you
Let me feel you
Let me feel you
Let me feel you
Let me feel you
Let me feel you
Let me feel you
Let me feel you
Let me feel you
Let me feel you
Let me feel you
Let me feel you
