## Soma Sonic

Let me feel you breathing close  
I am submission just a ghost

Time exists to fool me  
And our lives are just a game  
With no less intensity  
I will turn around

Let me feel you breathing close  
Let me feel you  
Let me feel you  
Let me feel you  
Let me feel you  
Let me feel you  
Let me feel you  
Let me feel you  
Let me feel you  
Let me feel you  
Let me feel you  
Let me feel you  
Let me feel you  
Let me feel you
