

Horrorshow (Tales Of Terror - Remastered)

Hallows Eve

There exists two worlds for you one is false and one is true
I have lost my shirt my friends paranoid vision,
My brain is mildew I lost reality long ago now I live in a Horrorshow!
Reality is a tightrope trick once fell,
Real beasts devour quick my fictional beasts are real to me my very thoughts
A caustic I lost reality long ago now I live in a Horrorshow!
Truth, fiction, one and the same one is real,
The other to blame I don't care what your bishops say truth
Shall eat the skull of the lame I lost reality long ago now
I live in a Horrorshow!
