Amazing High

Lindsay Pagano

It's an amazing high
That starts my heart racing hours until
I see you walk by then panic is gone
Our love won't lead us on
I thought I saw you lookin' back
Down the hall it was hard to tell
Your eyes were dark but
I could feel you holding on
Just like I'm holding on
Right in time your eyes in mine
But we have to wait, don't we?
'Cuz some people don't see
It's an amazing high
That starts my heart racing hours until
I see you walk by then panic is gone
Our love won't lead us on
I thought I heard you call my name
Like a dream that leaves you
Wondering if it's real and
There you were with a smile that said
You're with me now and always
Here together night and day

And we can wait, can't we?
'Cuz love's not too blind to see
It's an amazing high
That starts my heart racing hours until
I see you walk by then panic is gone
Our love won't lead us on, yeah, yeah
And you know when you're near me I feel in control
Together we make an old soul
And I don't care what they say or what they think they see
'Cuz this is me, yeah, you and me
Alright
It's an amazing high
That starts my heart racing hours until
I see you walk by then panic is gone
Our love won't lead us on
No, our love won't lead us on

It's an amazing high
That starts my heart racing hours until
I see you walk by then panic is gone
Our love won't lead us on
