Mirror Man

Younghusband

The water shines, a pebble skips across the face
A dozen times, then disappears, not a trace left behind
The thrower turns and walks away
A change of mind, another start a brand new day
You know I'll change
If change is what you require
Your every wish
Your every dream, hope, desire
Here comes the mirror man
Says he's a people fan
Here comes the mirror man
And if it seems I'm not the one you used to know
Our little friendship left behind not long ago
Don't feel too hurt as distance heals the strongest pain
Things are much better now and just a nagging doubt remains
You know I'll change

If change is what you require
Your every wish
Your every dream, hope, desire
Here comes the mirror man
Says he's a people fan
Here comes the mirror man
Here comes the mirror man
Says he's a people fan
Here comes the mirror man
Here comes the mirror man
Says he's a people fan
Here comes the mirror man
Here comes the mirror man
Says he's a people fan
Here comes the mirror man
