

# Really Don't Care (feat. Cher Lloyd)

Demi Lovato

You wanna play, you wanna stay, you wanna have it all  
You started messing with my head until I hit a wall  
Maybe I should've known, maybe I should've known  
That you would walk, you would walk out the door, hey!

Said we were done, then met someone and rubbed it in my face  
Cut to the part, she broke your heart, and then she ran away  
I guess you should've known, I guess you should've known  
That I would talk, I would talk

But even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh oh oh I really don't care  
Even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh oh oh I really don't care  
Oh oh oh I really don't care

I can't believe I ever stayed up writing songs about you  
You don't deserve to know the way I used to think about you  
Oh no not anymore, oh no not anymore  
You had your shot, had your shot, but you let go

Now if we meet out on the street I won't be running scared  
I'll walk right up to you and put one finger in the air  
And make you understand, and make you understand  
You had your chance, had your chance

But even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh oh oh I really don't care  
Even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh oh oh I really don't care  
Oh oh oh I really don't care

Yeah, listen up  
Hey, hey, never look back,  
Dumb struck boy, ego intact  
Look boy, why you so mad  
Second guessin', but should've hit that  
Hey Demi, you picked the wrong lover  
Should've picked that one, he's cuter than the other  
I just wanna laugh, cause you're tryna be a hipster  
Kick him to the curb, take a Polaroid picture

But even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh oh oh I really don't care  
Even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh oh oh I really don't care  
Oh oh oh I really don't care
