Drag

Kiddo

Youre always ahead of the game
I drag behind
You never get caught in the rain
When Im drenched to the bone every timeYoure the first one to swim across the Seine
I lag behind
Youre always ahead of the game
While I drag behindI drag behind
I drag behind
I drag behind
I drag behindYoure always ahead of the pack
I drag behind
You posses every trait that I lack
By coincidence or by designYoure the monkey I got on my back
That tells me to shine
Youre always ahead of the pack
While I drag behindI drag behind
I drag behind
I drag behind
I drag behindI drag behind
I drag behind
I drag behind
I drag behindYoure always ahead of the rest
When Im always on time
You got A's on your algebra tests
I failed and they kept me behindI just gotta get off my chest
That I think youre divine
Youre always ahead of the rest
While I drag behindI drag behind
I drag behind
I drag behind
I drag behindI drag behind
I drag behind
I drag behind
I drag behind
