

## Drag

Kiddo

Youre always ahead of the game  
I drag behind  
You never get caught in the rain  
When Im drenched to the bone every time Youre the first one to swim across the Seine  
I lag behind  
Youre always ahead of the game  
While I drag behind I drag behind  
I drag behind  
I drag behind  
I drag behind Youre always ahead of the pack  
I drag behind  
You posses every trait that I lack  
By coincidence or by design Youre the monkey I got on my back  
That tells me to shine  
Youre always ahead of the pack  
While I drag behind I drag behind  
I drag behind  
I drag behind  
I drag behind I drag behind  
I drag behind  
I drag behind  
I drag behind  
I drag behind Youre always ahead of the rest  
When Im always on time  
You got A's on your algebra tests  
I failed and they kept me behind I just gotta get off my chest  
That I think youre divine  
Youre always ahead of the rest  
While I drag behind I drag behind  
I drag behind  
I drag behind  
I drag behind I drag behind  
I drag behind  
I drag behind  
I drag behind  
I drag behind
