

One Of A Kind

Breaking Point

I've got this feeling deep inside
But what it is, I don't know
My vision starts to change
My mind gets filled with rage
I raise my fist up to the sky

What do you see!The fear I see when I look in your eyes

Makes you believe I'm one of a kind

One of a kind!

Fear I leave in the back of your mind

Makes you believe I'm one of a kindOne of a kind!

One of a kind!And now I feel like I'm alive

Don't know just how I got so low

These voices in my mind

Tell me, it's killing time

And it's a thrill I can't describe

What do you see!The fear I see when I look in your eyes

Makes you believe I'm one of a kind

One of a kind!

Fear I leave in the back of your mind

Makes you believe I'm one of a kindHey, hey, hey

One of a kind, hey, hey, hey

One of a kind, hey, hey, hey

One of a kind, hey, hey, heyThe fear I see when I look in your eyes

Makes you believe, makes you believe

Fear I see in the back of your mind

Makes you believe, makes you believeThe fear I see when I look in your eyes

Makes you believe I'm one of a kind

One of a kind

Fear I leave in the back of your mind

Makes you believe I'm one of a kindThe fear I see when I look in your eyes

(Hey, hey, hey)

Makes you believe I'm one of a kind

(Hey, hey, hey)

One of a kind!Fear I leave in the back of your mind

(Hey, hey, hey)

Makes you believe I'm one of a kind

(Hey, hey, hey)One of a kind, hey, hey, hey

One of a kind, hey, hey, hey

One of a kind, hey, hey, hey

One of a kind, hey, hey, hey
