

# I Couldn't Live Without Your Love

**Petula Clark**

You're the only one that I rely on  
A shoulder there for me to cry on  
And the hours alone that I'm without you  
All I ever do is think about you No one knows that you're so understanding  
Even though my love is so demanding  
Every time you look at me  
Then you'll know we'll both agree  
That no other love for me I couldn't live without your love  
Now I know you're really mine  
Gotta have you all the time Didn't like you much when I first met you  
But somehow I couldn't quite forget you  
Said you didn't want a friend or lover  
That your life was happy with another But as time went by my love grew stronger  
Knew that I just couldn't wait any longer  
For I couldn't let you go and I had to tell you so  
That I love you, then you know I couldn't live without your love  
Now I know you really mine  
Gotta have you all the time Now the tears are gone and I'm not crying  
When you say you love me you're not lying  
So when people want to stare  
I know I don't really care  
Just as long as you are there I couldn't live without your love  
Now I know you really mine  
I gotta have you all the time Now I couldn't live without your love  
Now I know you really mine  
I gotta have you all the time
