## Oh, Sister

## **Bob Dylan**

Oh, sister, when I come to lie in your arms
You should not treat me like a stranger
Our Father would not like the way that you act
And you must realize the dangerOh, sister, am I not a brother to you
And one deserving of affection
And is our purpose not the same on this earth
To love and follow his directionWe grew up together
From the cradle to the grave
We died and were reborn
And then mysteriously savedOh, sister, when I come to knock on your door
Don't turn away, you'll create sorrow
Time is an ocean but it ends at the shore
You may not see me tomorrow
