Fear Factory

We are the new breed
We are the future
We are the new breed
We are the futureWe are immune to life itself
Cold rules of reality
We are immune to life itself
Cold rules of realityBorn, bred, beaten
Born, bred, beatenWe have control of destiny
We have control of what's to be
We have control of destiny
We have control of what's to beBorn, bred, beaten
Born, bred, beaten
Born, bred, beaten
Born, bred, beatenNew breed

Cold rules of reality
We have control of destiny
We have control of what's to beBorn, bred, beaten
Born, bred, beaten
Born, bred, beaten
Born, bred, beatenNew breed
