Letter to Home

Chaperone

Mother dear I've got to go
Find my way out in the world
Somethin's callin' me and I can't stay
As the leaves are fallin' down
Soon the snow upon the ground
Hope you'll understand, why I can't stayWaiting for the sun
As I start to run
Waiting for the sunThough I'm young not quite a man
I'll try and do the best I can
Duty calls my friends are all aboard
Feel the wind across my face
Standing ready all in place
With this trigger I'll become a manWaiting for the sun
Will I make it home, again?
Waiting for the sun
Waiting forSee the people falling down
Crimson colors all around
Tryin' to make it to the higher ground
Mother dear I had to go
Even though I loved you so
Sorry but I won't be comin' homeWaiting for the sun
As I start to run
Waiting forWaiting for the sun
Waiting for the sun
Waiting for the sun
