Friends Never Say Goodbye

El Dorado

There isn't much I haven't shared
With you along the road
And through it all there'd always be
Tomorrow's episodeSuddenly that isn't true
There's another avenue
Beckoning the great divide
Ask no questions, take no sideWho's to say who's right or wrong
Whose course is braver run
Still we are, have always been
Will ever be as oneWhat is done has been done for the best
Though the mist in my eyes might suggest
Just a little confusion about what I'll lose
But if I started over I know I would chooseThe same joy the same sadness each step of the way
That fought me and taught me that friends never say
Never say goodbye
Never say goodbye
Never say goodbye
Never say goodbyeSuddenly that isn't true
There's another avenue
Beckoning, the great divide
I would chooseThe same joy the same sadness each step of the way
That fought me and taught me that friends never say
Never say goodbye
Never say goodbye
Never say goodbye
Never say goodbye
