

Five Year Plan

D.R.I.

I lose, you win
I lose again I lose, you win
I lose again

But you're on my five-year plan Your time will come
When you least expect it, expect it
The five-year plan
You fucked me over, you did me wrong
You know why I wrote this song The five-year plan, the five-year plan
Until then, I'll just pretend
That you are still my friend
But in the end, your time will come
When you least expect it, expect it The five-year plan
I don't forget so easily, no
I'm not so quick to forget
The five-year plan, I hold a grudge
I live for revenge, the five-year plan I win, you lose
I win, you lose
I win, you lose
I win, you lose I win, you lose
I win, you lose
I win, you lose
I win, you lose I win, I win
I win, I win
I win, I win
I win, I win
