

Capsize

Grace Grundy

Up at night I'm awake cause it haunts me
That I never got to say what I wanted
I'm not the same as I was with you
I would jump out my skin just to get you How could you have ever known
If I never let it show,
now I just wanna know are you? yeah I'm fine
Drop tears in the morning
Give in to the lonely
Here it comes with no warning
I capsize, I'm first in the water
Too close to the bottom
right back where I started
Said I'm fine
Your silhouette is burned in my memory
Rubble left from the moment that you left me
Oh my God, oh my God
And three words have never come easy
Cause you're more than they ever could be
Oh my God, oh my God How could you have ever known
If I never let it show, now I just wanna know yeah I'm fine
Drop tears in the morning
Give in to the lonely
Here it comes with no warning
I capsize, I'm first in the water
Too close to the bottom
right back where I started
Said I'm fine
I'm fine
I'm swimming up against the tide
Oh my god
I'm swimming but I'm getting tired
Oh my god
I'm swimming up against the tide
Oh my god
I'm swimming but I'm getting tired
Oh my god I'm fine
