

# I Got the Moves

## Habibi

I got the moves  
when you see me  
on a saturday night  
I got the moves  
jukebox playing  
and the music's alright  
I got the moves  
hey hey  
I think I do  
hey hey  
I think you do too  
I got the moves  
but see me shakin  
on the dance floor alone  
they wanna dance  
but I promise  
that I tell 'em all no  
I got the moves  
hey hey  
I think I do
