

So Long

Lomez Brown

Can you tell me why you make me cry
Can you tell me why you tell me lies
The tears are falling to the morning light, I got a feeling that I can deny
Can you tell me why you had to go?
Can you tell me why I didn't know
you took my heart and you took my soul and now you never coming back no more

It's been so long 2x
Ooh ooh
And now I know ooh ooh
that you are gone ooh ooh
and you ain't coming back no more ooh ooh...2x

It's the happiness for eternity said you give your life so you can be with me, girl I was holding on to your love that wasn't true why did you have to lie why couldn't you just tell the truth did you have to go why did you have to leave? All those times you should have just say you were failing me and my life is gone and it's all because of you and girl my heart is drowned away and it's all because of you

Ooh yeah!
I said For a long long time ah girl you had me thinking that you were gonna be my wife ah and now I know that you are just not like her, girl I know that you are just another liar yeah ah!

Why you do it to me
Why you do this to me
If you showed me and you loved me
Why you do it to me
Why you do this to me... yeah!
