

Suicide Girl

Belle & Sebastian

With lips that kiss
Words of teeth
And I was wrong
To let you know
So drink your coffee
And catch your bus
Cause I just want
My suicide girl My social suicide girl
Poison in the wall
Razors in the apple core She's my social suicide girl
She'll catch you in her way
Until everyone just stays away See these words
Sharp as knives
And I just want
To let it go
Seven stiches
In my head
And I just want my suicide girl Oh girl
If her kiss is deep
Then you'll sleep
Gravestones lie
And futures die
