Three O'Clock in the Morning

Dexter Gordon

It's three o'clock in the morning
We've danced the whole night through
And daylight soon will be dawning
Just one more waltz with you
That melody so entrancing
Seems to be made for us two
I could just keep on dancing forever dear with youThere goes the three o'clock chime, chiming, rhyming
My heart keeps beating in time
Sounds like an old sweet love tune
Say that there soon will be a honeymoonIt's three o'clock in the morning
We've danced the whole night through
And daylight soon will be dawning
Just one more waltz with you
That melody so entrancing
Seems to be made for us two
I could just keep on dancing forever dear with you
