# Falling

## Cathy Dennis

You think I'm indestructible, but I'm not
I'm just a petal from a flower
And I'm falling
Deeper into you

You think that I'm susceptible, but I'm not
The truth is scaring you to reason
Why I'm falling deeper into you

Oh, won't you pick me up
And carry me off into the skyline
Oh, won't you pick me up
The Sun hasn't shone in such a long time

You think that I'm indispensable
But I'm not, I understand your insecureness
And I'm falling deeper into you

Oh, won't you pick me up
And carry me off into the skyline
Oh, won't you pick me up
The Sun hasn't shone in such a long time

Oh, won't you pick me up
And carry me off into the skyline
Oh, won't you pick me up
The Sun hasn't shone in such a long time

A long time, a long time, a long time
For such a long time, a long time, a long time
A long time, for such a long time

Falling, falling in love
Falling in love with you for such a long time
