

# Five Long Years

## The Yardbirds

Have you ever been mistreated? You know just what I'm talking about.  
Have you ever been mistreated? You know just what I'm talking about.  
I worked five long years for one woman, she had the nerve to put me out.

I got a job in a steel mill, shucking steel like a slave.  
Five long years, every Friday I come straight back home with all my pay.  
Have you ever been mistreated? You know just what I'm talking about.  
I worked five long years for one woman, she had the nerve to put me out.

I finally learned my lesson, should a long time ago.  
The next woman that I marry, she gonna work and bring me the dough.  
Have you ever been mistreated? You know just what I'm talking about.

I worked five long years for one woman, she had the nerve,  
She had the nerve,  
She had the nerve,  
She had the nerve to put me out.
