Still Rollin'

Gretchen Wilson

Roadside signs, eighteen wheels rollin' through the night
Sometimes I wonder about this crazy, lonely life
People come and go, some you love and some you don't
Some you lose, and some you learn to let go
And I don't know what I'm trying to find
Stealing love on borrowed time
Always missing what I've left behind
Chorus:
And I'm still rollin
I keep on rollin

I can't slow down
I can't tell you where I'm bound
Maybe I'm just spinning round and round
Maybe I'm a page of written words I can't erase
A book of songs I sing from stage to stage
And I know that there may come a day
When I have nothing more to say
I wonder if they'll think I've lost my way
Repeat Chorus
