

Everything You Ever Wanted

Girls Aloud

Please allow me to introduce myself
I'm the one who's gonna make you see
There's no one else
I'm the vision that is instant of your dreams
Boy you better wake up
Welcome to reality I'll be
(Spiritual)
Whenever you're feeling low
(Emotional)
If you just wanna let go
(Sensual)
When you gotta have it, I'm the one to give it to you I, I'm everything you ever wanted
All you need is wrapped up in me
I, I'll be everything you ever wanted 'cos
I'm all the woman you need Man I touch me in a fantasy held inside
Could have hurt me
Sing your favourite song that made you cry
Here I am, this is proof that dreams come true
Don't look any further
I'm standing right in front of you (And I'm here to let you know)
If you wanna blow my mind
(Insatiable)
Keeping you up all night
(Physical)
Boy you gonna get it
And I'm gonna give it to ya I, I'm (Oh I) everything you ever wanted
All you need is wrapped up in me
I, I'll be everything you ever wanted 'cos
I'm all the woman you need It's unbelievable, inconceivable
How I'm gonna please you
Baby just relax
Close your eyes
Lay back
Whatever and wherever
Boy we better get together
'Cos you're never gonna get it
Any better than me I, I'm (I) everything you ever wanted
All you need is wrapped up in me
I, I'll be everything you ever wanted 'cos

I'm all the woman you needI (Oh I), I'm everything you ever wanted
All you need is wrapped up in me
I (Hey), I'll be everything you ever wanted 'cos
I'm all the woman you need
