Amaze Me

Union J

Little things that you do,
that we share me and you,
are where I breathe.
You still climb me with such wonder stuff,
just one touch is all I need.It feels like I'm falling into sun,
even on stormy days and
every way it feels like we've won,
as we watch the days go by still,
it feels like we're flying high...Baby you amaze me,
still knock me off my feet,
who would have ever guessed it would last,
through it all the reason I believe
can't you see, you still amaze me,
you still amaze me...Funny how everytime that I'm down
you pick me up, you stand by me,
people ask whats the deal,
why you still so in love,
well maybe it's meant to be.It feels like I'm falling into sun,
even when life is like, a fight,
it feels like we've won,
as we watch the days go by
its feels like we're still flying high...Baby you amaze me,
you still knock me off my feet,
who would have ever guessed
it would last through it all the reason
I believe, can't you see,
you still amaze me, oh, oh yeahIt feels like I'm falling into sun,
even on stormy days and every way
it feels like we've won,
as we watch the days go by still,
it feels like we're flying high...Baby you amaze me,
you still knock me off my feet,
who would have ever guessed it would last
through it all the reason I believe,
can't you see you still amaze me,
oh you still amaze me...
You still amaze me...
You still amaze me...
You still amaze me...
