## Bonkers

I wake up everyday it's a daydream  
Everythin' in my life ain't what it seems  
I wake up just to go back to sleep  
I act real shallow but I'm in too deep  
And all I care about is sex and violence  
A heavy bass line is my kind of silence  
Everybody says that I gotta get a grip  
But I let sanity give me the slip  
Some people think I'm bonkers  
But I just think I'm free  
Man, I'm just livin' my life  
There's nothin' crazy about me  
Some people pay for thrills  
But I get mine for free  
Man, I'm just livin' my life  
There's nothin' crazy about me  
Bonkers  
I wake up everyday it's a daydream  
Everythin' in my life ain't what it seems  
I wake up just to go back to sleep  
I act real shallow but I'm in too deep  
And all I care about is sex and violence  
A heavy bass line is my kind of silence  
Everybody says that I got to get a grip  
But I let sanity give me the slip  
Bonkers  
Some people think I'm bonkers  
But I just think I'm free  
Man, I'm just livin' my life  
There's nothin' crazy about me  
Some people pay for thrills  
But I get mine for free  
Man, I'm just livin' my life  
There's nothin' crazy about me  
Mmm, yeah, I'm back in the floor now  
I wake up everyday it's a daydream  
Everythin' in my life ain't what it seems  
I wake up just to go back to sleep

I act real shallow but I'm in too deep  
And all I care about is sex and violence  
A heavy bass line is my kind of silence  
Everybody says that I got to get a grip  
But I let sanity give me the slip  
Bon, bon, bon, bon, bon, bon, bon, bon  
Some people think I'm bonkers  
But I just think I'm free  
Man, I'm just livin' my life  
There's nothin' crazy about me  
Some people pay for thrills  
But I get mine for free  
Man, I'm just livin' my life  
There's nothin' crazy about me  
Bonkers

I wake up everyday it's a daydream  
Everythin' in my life ain't what it seems  
I wake up just to go back to sleep  
I act real shallow but I'm in too deep  
And all I care about is sex and violence  
A heavy bass line is my kind of silence  
Everybody says that I got to get a grip  
But I let sanity give me the slip  
Bonkers

Some people think I'm bonkers  
But I just think I'm free  
Man, I'm just livin' my life  
There's nothin' crazy about me  
Some people pay for thrills  
But I get mine for free  
Man, I'm just livin' my life  
There's nothin' crazy about me  
Mmm, yeah, I'm back in the floor now  
Mmm, yeah, I'm back in the floor now  
Mmm, yeah, I'm back in the floor now  
Mmm, yeah, I'm back in the floor now
