

Songbird

[Eva Cassidy](#)

For you there'll be no more crying
For you the sun will be shining
And I feel that when I'm with you
It's alright, I know it's right To you, I would give the world
To you, I'd never be cold
'Cause I feel that when I'm with you
It's alright, I know it's right And the songbirds are singing
Like they know the score
And I love you, I love you
I love you like never before Oh...
Oh... And I wish you all the love
In the world
But most of all
I wish it for myself And the songbirds keep singing
Like they know the score
And I love you, I love you
I love you like never before
Like never before, like never before
