Who'd Have Known (Acoustic)

Lily Allen

It's five o'clock in the morning
Conversation got boring
You said you're going to bed soon
So I snuck off to your bedroom
And I thought I'd just wait there
'Til I heard you come up the stairs
I pretended I was sleeping
And I was hoping you would creep in
With meYou put your arm around my shoulder
It was as if the room got colder
We moved closer in together
And started talking bout the weather
Said tomorrow would be fun
We can watch 'A Place In The Sun'
I didn't know where this was going
When you kissed meAre you mine?
Are you mine?
Cause I stay here all the time
Watching telly, drinking wine
Who'da known, who'da known
When you flash up on my phone
I'd no longer feel alone
No longer feel aloneI haven't left here for days now
And I'm becoming amazed how
You're quite affectionate in public
In fact, your friend said it made her feel sick
And even though it's moving forward
There's just the right amount of awkward
And today you accidentally
Called me babyAre you mine?
Are you mine?
Cause I stay here all the time
Watching telly, drinking wine
Who'da known, who'da known
When you flash up on my phone
I'd no longer feel aloneLet's just stay
Let's just stay
I wanna lie in bed all day
We'll be laughing all the way

Told your friends
They all know
We exist but we're taking it slow
Now let's just see how we go
Now let's see how we goAre you mine?
Are you mine?
Cause I stay here all the time
Watching telly, drinking wine
Who'da known, who'da known
When you flash up on my phone
I'd no longer feel aloneLet's just stay
Let's just stay
I wanna lie in bed all day
We'll be laughing all the way
Told your friends
They all know
We exist but we're taking it slow
Now let's just see how we go
Now let's see how we go
